About KLE Society:

Every Great Event, it has been well said, brings one absolute new thing into the world. Such an event was the starting of the K.L.E. Society in 1916 by seven dedicated teachers, popularly known as Saptarshis' and three generous patrons. Their mission was to provide education, to the children of the farming community who constitute a significant majority in Karnataka. Though modest and unadvertised was their act, yet it created a sensation in the educational history of this region. The environment today is totally different from the one in 1916, yet the Mission of the Founders of K.L.E. Society is pursued with the same zeal since 106 years in the fulfillment of the vision of providing education to the needy in all spheres of human knowledge. With a strong network of over 294 educational institutions spread across Karnataka, part of Maharashtra and even in Delhi, the K.L.E. Society enjoys an unrivalled status. To advance the cause of education, the society has employed over 18,500 men and women committed to academic excellence, and has over 1, 38,000 students on its roll.

The true spirit of democracy runs in the functioning of the K.L.E. Society. The Management of the Society is carried out effectively and ably by the Chairman of the Board of Management consisting of 15 members. The President and Vice-Presidents guide the Chairman while the Life Members frame academic guidelines. The financial transparency is maintained through regular audit system

If Lingaraj College speaks of the glory and rich heritage of the K.L.E. Society, its technological institutions overshadow and varied heritage. While internationally renowned J. N. Medical College brings the name and fame of the society in the limelight by the quality track record that it has set overseas, infrastructural far-superior ultra-modern, multi-speciality 2200 beds Dr. Prabhakar Kore Hospital and M.R.C. Belagavi, adds to it. In recognition of its world class standard the Government of India, on the recommendation of University Grants Commission, New Delhi has accorded the status of University as 'K.L.E. University, Belagavi' to a unit of institutions in Health Sciences. With right approach and long perspective, our Society has set a brand- 'nothing beats quality' It is a matter of great pride that the KLE Society celebrated its Centenary celebrations. Hon'ble Prime Minister Shri Narendra Modi addressed at the KLE Society's Centenary celebrations in 2016. His Leadership is a never ending source of energy.

About Lingaraj College:

Lingaraj College, founded in 1933 was the first collegiate institution of the K.L.E. Society, Belagavi. During the year 1930s and the 1940s, this was one of the two colleges in the entire North Karnataka after Pune and Mumbai. It enjoyed the privilege and glory of high academic standards in those days. Today, it is a rare blend of heritage and modernity with which it ranks as a Centre of Excellence Acknowledging this inherent quality, the NAAC Re-accredited the College (IV Cycle) at the

'A' level in April 2022 with CGPA of 3.06. With the renovated digital class rooms, a multimedia Hi-Tech language laboratory, the automated library with books and an exhaustive list of national and international journals on its shelves, the college is an obvious choice of girls and boys in UG and PG programmes.

Relentlessly pursuing its 'Mission' of empowering the learners with a high ratio of employment, the college is leaving nothing to chance in converting its young minds into responsible individuals in fulfillment of its 'Vision' of 'Man Making and Nation Building'.

Autonomous Status

It is a matter of pride and pleasure that Lingaraj College is conferred with Autonomous Status from June 2007 by the University Grants Commission, New Delhi, the Government of Karnataka and the Karnataka University, Dharwad. With newly acquired academic and operative freedom, Lingaraj College is now offering programs of higher standard and has redesigned the syllabus according to the changes in the employment market. The UGC has extended Autonomous status up to 2025-26. The Autonomous Status to the college has enabled us to prepare our students thoroughly well in professional skills and make them competitive in the changing educational

scenario of the country and the world. This has helped us to create higher degree of employability in our students.

Campus

Our campus spread over an area of 25 acres 'houses the main building built in an elegant Roman Structure. The landscape garden covering the area of 1315 sq.mts. Adds luster and greenery to the campus. The canopy of trees keeps the campus cool and free from dust and sound Pollution.
