REPORT

The Department of Economics organized seminar on "Keynesian Economics for Graduates" on 16th October 2023. Dr. P. S. Kamble, Professor and Chairman, Department of Economics, Shivaji University, Kolhapur, Maharashtra was the resource person and he spoke on how Keynesian economics thoughts helped all countries to overcome the adverse effects of great depression after the World War-II and importance of expenditure, production, effective demand how to solve the unemployment through investment with many examples.

He also gave insights on how Keynesian economics thoughts are relevant in the present economic situations all over the world. To conclude he stressed on aggregate demand and aggregate supply which can help to improve the gross domestic product and growth rate of respective countries in the world. Later, 13 students presented their views on Keynesian economics and its relevance in today's scenario and nearly 214 students were present during the session.

The seminar was inaugurated by Dr. P. S. Kamble, Professor and Chairman, Department of Economics, Shivaji University, Kolhapur, Dr. Raghavendra Hajgolkar Head of the Department welcomed the gathering, Dr. Vishwanath Khot presented vote of thanks and Dr. Nandan Katamble, Dr. Mahantesh Sogal, and Miss Aishwarya Desai were present.

Objectives of workshop

- *To understand the Keynesian economics thoughts.*
- *Application of aggregate demand and supply in taking economic decisions in public and private sector.*
- *Analyse the relations between Keynesian economics and fiscal policies.*
- *Illustrate the macroeconomic theories and models strongly influences economic output, employment and inflation.*
