THE PERFORMANCE OF THE INSTITUTION IN ONE AREA DISTINCTIVE TO ITS PRIORITY AND THRUST

In Pursuit of Sporting Excellence

Honorable Prime Minister Shri.Narendra Modi during his address at the KLE Society's Centenary Celebration in 2016 gave the KLE Society three challenges.

1. To produce Medalist for India at Olympics.
2. To have Internationally Recognized Research and Innovations.
3. To have one of our University in top 100 in the world

Responding to the call made by the Honorable Prime Minister our Institution which had a Legacy of excellence in Sports was identified as the one with potential for Olympic Medal.

The Institution then prepared a comprehensive policy to achieve the podium finish at the Olympics. The process involves the following Stages.

- 1. Talent Identification:** The Institute searches for young talent throughout the year and picks up the best ones from various Taluka level, District level and State level meets and further these sports persons are provided required facilities and training in order to enhance their performances. The speciality here is, the Institution focuses with equal emphasis on identifying and moulding Para Athletes too.
- 2. Admission Policy:** The Institute provides the talented budding sportspersons admission under the Sports Quota based on their achievements and potential. Depending on their achievements the fee concession provided ranges from 25% to 100%.
- 3. Sports Infrastructure:** The excellent sports infrastructure, outdoor sports facilities include cinder track, football ground with lawn, Cricket net, Basketball court, Volleyball court, Netball court, Handball court and also open-

air theatre for Yoga.

There are two Indoor stadiums with wooden Badminton courts, Table Tennis courts, Multi-Gym. There is a swimming pool in the college campus.

The KLE Physiotherapy Centre has good infrastructure related to sports where we have GATE Movement analysis. This helps the sportspersons with sports injuries to rehabilitate.

- 4. Boarding and Lodging Facilities:** Free hostel facilities are provided to sports persons with National level achievement. The deserving sports students are given free hostel facilities for both girls and boys along with food. They are given diet money to ensure they have requisite nutrition for a healthy body and mind.
- 5. Training by National, International Coaches and Alumni:** The selected sportspersons including the Para athletes are trained by National and International Coaches in their respective events. Alumni of the Institution are also actively involved in the training of sports persons at regular intervals.
- 6. Sports Kit and Accessories:** The sportspersons are been provided with the necessary Kit and accessories required for their respective games. Tracksuits, shoes, sportswear kitare provided to all the sports personsand other requirements as per their eventsare also given.
- 7. Providing Exposure:** The sportspersons are provided with the higher-level exposure by encouraging and sponsoring them to various International, National and State level events. This helps the them to evaluate their performance relative to the competition and set benchmarks.
- 8. Extended Support:** The Institute provides the required support to the sports persons. There is a Health Centre in the College Campus. They have easy access to first aid and emergency medical help. There is also a Physiotherapy Centre at the KLE Hospital where the sports persons can consult in case of injuries and their rehabilitation is also been taken care.

Academic support is also extended to the sports persons. Sportspersons are provided internal marks based on their achievement in lieu. During the
